## **Our busy term!**

We have already had 2 of our residential; both were very successful. The children had a wonderful time, overcoming new challenges and gaining a lot of independence. We now just have Year 6, waiting to go on their trip to the Northern Lake District next week. A big thank you to Sarah Keast who has planned and organised food for the Year 4&5 and Year 6 residential. Thank you also to all the parents who sent cake – Becki from Castle Head is always amazed how well we eat! Photo shows Year 2 and 3 at Castle Head.

## **Promoting our school**

You will have all had a copy of our Nursery flier. We are trying really hard to promote our school through getting out the fliers, facebook and word of mouth. If you are able to take more fliers to your place of work, a café that you know that has a noticeboard, or just for friends, please come and ask for some in the office. We also have places in other year groups – our very small teaching groups, giving individual

attention do make a big difference to the progress that children make.

## **End of Year reports**

We will be sending out the children's reports on Monday 17<sup>th</sup> July after the SATs test results are all confirmed. If you would like to discuss your child's report with their teacher, please let us know and we will make you an appointment before the end of term.

## **Dates**

I have put a full list of dates overleaf. Please make a note of these as they include important ones like Sports day!

## **Sun cream, hats and water bottles**

Please remember sun cream, hats and water bottles. Teachers of the youngest children have mentioned that cream that can be applied at the beginning of the day is better than the children trying to put it on themselves in school. If you also send some, we can top up at lunchtime if needed.

Best wishes,

*Sarah Coleman*

*PTO for dates*
