

NEWSLETTER

Welcome back!

We have had a really super first week in school and already are enthusiastically learning lots of new things. It has been lovely to welcome our new Reception and Nursery children as well as Grace to Year 4, and Joseph back again to Year 6. Teachers have worked hard to get classrooms back straight after the building work in the summer. When you come into school, you will see new ceilings and lighting, making the rooms much brighter for learning.

New classes – drop in, Tuesday 11th September

As you know, you are always very welcome to come into school at the beginning or end of the day to see what your child has been doing or to speak to the teachers. You will be receiving a class letter to explain about class organisation and teachers will all be available straight after school on Tuesday 11th September if you'd like to come in and speak to them or to see what your child has been doing so far.

Individual school photos

The photographer will be here on Tuesday for individual photos and family groups. Younger children are welcome to come in and the photographer will be doing family groups and Pre-school first.

Whole school parents meeting – next Tuesday 11th September 6.30pm

We have held parent information meetings with staff and governors for the past few years. The feedback we have received is that these are really valuable, for parents to understand more about the curriculum and standards in school, and to hear from governors about the direction of the school. This year, it is particularly important that parents attend if you can as we will be explaining amongst other things leadership of the school and supporting other schools. Other topics will include: Times Tables and number bonds, standards in school and SATS, and student teachers and the Teaching School. There are a lot of changes in the educational landscape which impact on our school and would be good to explain to you how we are navigating through these changes to provide the very best education for the children of Lindale and around. We will minute the meeting and put a copy on the website, if you are unable to come.

Chicken Pox

Just to let you know, we have a case of Chicken Pox in school.

Best wishes
Sarah Coleman

PTO

Dates for your diary and information:

Monday 10 th September	Year 6 leadership day
Tuesday 11 th September	Individual School Photos
Wednesday 12 th September	Mr Russel for Science Years 3-6
