Values

The School's Values are always truly important to everyone, and they are Peace, Trust, Perseverance and Kindness and the school focuses a lot on them and the School has a lovely saying called "Let your light shine and it's so special to the school and it's just to let the pupils know that you're not alone and there is always a light path nearby no matter what is happening. In each class they have a worry monster which means whenever a school child has a worry they can put it in and if they want to talk about they can write their name on the back but if they don't put their name on the back then they don't want to talk about it but in that area it's a calm and noiseless place to be in need for the children.

Fundraising

Lindale C of E Primary School highly loves fundraising a lot, as the school has Christmas Boxes of Hope, Children in need, Pudsey day, Christmas jumper day, muftey day which means wear any clothes and more fundraising but the school's most current fundraising is Ukraine day and Lindale School loves to celebrate a lot of fun and lovely things for the family's that need help throughout all over the world to help anyone anytime just to save lives. Lindale students bring one or two pounds to help children in need for food, clothes, education, clean water and more.
