This term is jam-packed full of exciting trips and fun activities in school. Please see overleaf for a list of dates.

Year 6 SATs

We are so proud of our year 6 children who completed their SATs last week. They came in everyday with smiles on their faces. We celebrated the end of the week with a trip to the park and some treats!

Early Years

Our children in reception and nursery have been enjoying learning from some exciting visitors! They had a visit from Archway Vets to learn about dog safety. With help from two gorgeous spaniels, they learnt how to safely approach dogs, what to do if a dog comes towards them and how dogs communicate.

This week, they had a fantastic afternoon with PC Foster from Lancashire Police, where they learnt all about how the police help to keep our community safe.

Year 3 and 4 Tennis

Well done to the pupils in year 3 and 4 who took part in our cluster tennis competition. Mrs Watson was so proud of their determination and the demonstration of their skills. They returned to school full of positivity.

Young Leaders Award

Year 5 and 6 are taking part in the Young Leaders Award. Each week, they are taking part in challenges and learning about how to be a good leader. The photo shows the cup challenge which involves teamwork, communication, resilience and perseverance.

The Decider Skills

Earlier this week, I sent you an email telling you about The Decider Skills which we will be learning across school after half term. They will have more of an impact if parents and carers at home are using the same language and practising the skills. To help with this, we will regularly communicate what we've been doing in school with you.

Last Day of Term

School finishes on Friday 17th July. Our year 6 leavers' assembly is at 1pm. The year 6 children can also bring in a spare school top for their friends to sign. We will then be closing at 2pm with no Fun Club.

Wishing you all a lovely half term.

Kind regards,
Mrs Curwen
