

## NEWSLETTER

This term is jam-packed full of exciting trips and fun activities in school. Please see the end of this newsletter for a list of dates.

### The weather

Temperatures are going to soar this week! Please can you ensure your child has a water bottle and sun hat in school at all times. Before your child comes to school, please apply sun cream. It is always helpful to have additional sun cream in their bag in case it needs reapplying later in the day. If it needs reapplying, children will do this themselves. This is also important for any visits happening outside of school such as the KS2 athletics and farm trip.

### Class arrangements for next year

We have been looking at class arrangements and staffing for next year. We have the flexibility to be able to adapt based on the numbers and needs of our pupils and we continuously review arrangements throughout the year. At the end of this year, we will be saying goodbye to Miss Handley but wish her the best of luck in her new role. We will also be saying goodbye to Madame Cook who has taught KS2 French for many years. Thank you to both of them for all their hard work and dedication to our pupils.

Our classes and staffing for next year are below. This is a general overview – there may be some times throughout the week where this varies:

AM		PM	
<b>Reception and Year 1</b>	Main class teacher: Miss Barker  Teaching assistants: Mrs Taylor and Mrs Harper	<b>Nursery and Reception</b>	Main class teacher: Miss Barker  Teaching assistants: Mrs Taylor and Mrs Harper
<b>Year 2</b>	Main class teacher: Mrs Law  Teaching assistants: Mrs Taylor and Mrs Harper	<b>Year 1 and Year 2</b>	Main class teacher: Mrs Law  Teaching assistants: Mrs Taylor and Mrs Harper
<b>Year 3 and 4</b>	Main class teacher: Mrs Watson	<b>Year 3 and 4</b>	Staffing varies on different days: Mrs Watson, Mrs Curwen, Mrs Coulston, Mrs Lishman, Mrs Brooks and Mrs Taylor.
<b>Year 5 and 6</b>	Main class teacher: Mrs Curwen (not on a Friday morning)  Teaching assistants: Mrs Coulston and Mrs Brooks	<b>Year 5 and 6</b>	Sometimes KS2 work together and sometimes they are split into year 3 & 4 and year 5 & 6.

## London

On Friday 12<sup>th</sup> June, year 6 enjoy a jam-packed trip to London. They went to the Tower of London to see the crown jewels then had a scenic journey on the Thames to Westminster. Here they saw the London Eye, Big Ben, Parliament and walked down past Downing Street and the Horse Guards Parade to Trafalgar Square where they visited the National Gallery. At Leicester Square, they went to the much-anticipated Lego Shop and M&M shop, and finally

walked through St James' Park to see the pelicans and Buckingham Palace.

### Reception, year 1 and 2 visit to Castle Head

Reception and KS1 had a fantastic time at Castle Head. They began with pond dipping, then KS1 went on a walk (that became very wet!) and did the low ropes in the evening. Mrs Law commented that, despite the weather, all of the children were determined and had a good attitude.

### Youth Climate Summit

We are so proud of our four pupils who represented school at the Youth Climate Summit in Carlisle. They took part in workshops and have brought back lots of ideas and information about things to try at school.

### The Great Big Green Week

As part of The Great Big Green Week, we've weeded, planted, tidied, litter-picked and dismantled the bug hotel ready for rebuilding. Our eco-council also organised a pre-loved and cake sale.

### Church Visits

Both year 1 & 2 and year 3 & 4 have visited St Peter's Church in Field Broughton where they learnt more about the features of a church and why it is such a special place for some people. Year 5 & 6 are due to visit on 29<sup>th</sup> June (St Peter's Day) where year 6 will be presented with Bibles.

### Drowning Prevention Week and Waterwise

All classes in school are doing some activities linked to Drowning Prevention Week so that our pupils have knowledge on how to keep themselves safe around water and what to do if they or someone else experience difficulty in the water. We have been doing this through Picture News and year 5 & 6 took part in their annual Waterwise session where they practised these lifesaving skills in the water. Reception will soon be going to Bay Search and Rescue.

*Let your light shine*

### Kendal Windows on Art Project

Year 1 and 2 went to Lindale Village Hall to meet some ladies who sew. They chatted about sewing and watched a demonstration. They began to plan how to put their artwork together for a display. This is all part of our KWoA Midway intergenerational art project, which encourages the children to value older people in our community.

### The Decider Skills – The Fizz

In school, we have introduced 'the fizz'. The fizz is the physical feelings in the body when you start to feel upset, stressed, anxious, nervous, angry etc. I sent a letter to your email explaining this in more detail. Learning to recognise their fizz, is the first step for the children to begin using strategies to reduce it.

### Last Day of Term

School finishes on Friday 17<sup>th</sup> July. Our year 6 leavers' assembly is at 1pm. The year 6 children can also bring in a spare school top for their friends to sign. We will then be closing at 2pm with no Fun Club.

Kind regards,  
Mrs Curwen

**Dates**

Tuesday 23 <sup>rd</sup> June	Year 6 transition day to Cartmel Priory School
Wednesday 24 <sup>th</sup> June	KS2 cluster athletics
Thursday 25 <sup>th</sup> June	KS2 Farm visit
Friday 26 <sup>th</sup> June	Mrs O'Kane in with year 3 and 4 for a computing session
